## **Winter 2010 1-Day MAX P.T. Workshops**

One-day workshops will be offered the second-third weeks in February across the state at dates to be determined once student interest from the Bar/Bri sites and the various tutoring courses can be assessed. The workshops will run from 9 till 5:30. The workshop dates will be announced later in January. Students who have already placed reservations for a one-day workshop will be notified directly via email.
